To Whom It May Concern,

Thank you for purchasing Warrior Roofing Manufacturing products. NOA (Notice of Acceptance) is not required if products are approved with the State of Florida for HVHZ. Warrior Roofing Manufacturing's #30 ASTM D226, Elephant Skin and Shield Right are approved for the 2023 Florida Building Code and for HVHZ areas under the Florida building code numbers FL2346 and FL40298.

Pursuant to Florida statutes (section 553.842 that governs product approval), our products that received state approval for use in HVHZ were reviewed and approved by the Miami-Dade Code Compliance Office, which advises the Florida Building Commission on product compliance with HVHZ standards.

Regards,

Steven F. Crew
President and Chief Operating Officer
